Custom Logo Fire Pits - Program Information

Patina 100% Customer Satisfaction Guarantee: All merchandise sold by Patina Products is unconditionally guaranteed to be free from defects in material and workmanship. If for any reason there is not complete performance satisfaction with the products ordered, return the merchandise to Patina Products within 60 days for replacement or credit for the quantity returned.

Artwork: Customer supplied artwork must be sent in vector format as an Illustrator native, EPS or PDF. The artwork set-up fee is a one time only fee, per individual design. Reorders are not subject to this fee, as long as there are no changes to the design.

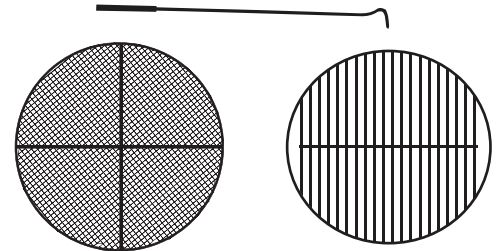

Proof: A Soft Proof will be provided via email PDF.

Pricing: Pricing is subject to change without notice. Contact a Promotional Products Professional for pricing on orders over catalog listed quantities.

Production: Corrections and changes will delay orders and must be authorized by Patina Products. Orders cannot change after production has been initiated. Cancellations of orders are subject to labor and cost expenses.

Freight Programs: We offer several freight options to fit your needs, including direct import, individual drop ship, multiple destination shipments, and order fulfillment on demand.

Logos and images are cut into the sides of our fire pits using a CNC (Computer Numeric Control) Plasma Cutter and the finished product is 100% hand-welded and hand-finished. As such, slight variations in patina finish, as well as resolution and detail of customer supplied and/or custom logos are normal, and may vary due to the nature of our manufacturing process. Variations include, but are not limited to patina (rust) finish, logo or image placement, quality (thickness, resolution) of line art, cut and weld penetration and uniformity.

Patina Finish

All fire pits come with a rust patina finish. We offer a clear lacquer finish that is great for display purposes. If the end user is a consumer who intends to use the fire pit for its original purpose, the clear finish is not necessary nor recommended. Price for clear finish: \$7.99/unit (d)
